Switzerland, Zurich [Hero with 7 faces](#) - Joel Cahen - 30' - 2012 - audio, geo-located

Seven archetypes mapped out on Zurich's Old Town
Additional story by Rebecca Horrox

The Hero begins a personal journey that will lead to you through the city. The work conjures seven archetypes of the creative consciousness mapped out in a surreal 30min walk. Using immersive sound design, narrative and image to imbue the listener into a parallel interpretation of the urban environment.

Each city has a different theme and different content which reinterprets the Hero's journey

A smartphone using Android or iPhone and headphones are needed.

Enable location services and preload the content as instructed before you begin.
