Made of Walking - La Romieu, France - 27 August to 1 September 2017

"Sometimes we walk on the ground, sometimes on sidewalks or asphalt, or other surfaces. Can we find ground to walk on and can we listen for the sound or sounds of ground? Are we losing ground? Can we find new ground by listening for it?"—Pauline Oliveros (1932-2016)

Listening to the ground / Table of Walks is the inspiration and guide for reflections and walking actions during the Made of Walking Festival in La Romieu. (Deep) listening to the world, related to World Listening Day 2017, is our thread and simultaneously a tribute to Pauline Oliveros.
