[Wandercast](#) - **Robbie Z Wilson** - 25'-40' - 2016 - audio, immersive

Wandercast, by Ludicrous Pilgrim, seeks to tweak our relationship with the world by highlighting its playful potential.

Wandercast invites you to adopt a particular playful focus, which is different for each episode, and to use these various ludic-tinted specs to explore the world around you. What will you discover about places you find familiar? What might you discover about unfamiliar places? I once found a huge potato in the gutter, so I put it on a postbox. True story.

You can Wandercast your lunch break, Wandercast your way home; Wandercast the streets, Wandercast the woods; Wandercast the night, Wandercast the day; you can Wandercast whenever and wherever you want!

Each Wandercast has some pre-wandering info to give an idea of its focus. I'd love to know what happens and what you think about Wandercast. Do drop me a line at [robbie@ludicrouspilgrim.co.uk](mailto:robbie@ludicrouspilgrim.co.uk)
