UK London, Royal Docks - [Cody Words Walk](#) - Stephen Shiell - 12' - 2013 - listening

As Artist in Residence at Cody Dock, Stephen Shiell worked with writer Melaina Barnes on a composition inspired by the natural, industrial and historical landscapes of the dock that sits on the banks of the River Lea.

The composition is made with field recordings, music box and voice, using one-minute observational poems written by Melaina during her time as writer-in-residence at Cody Dock.

The composition follows a circular walk from Star Lane station along South Crescent to Cody Dock, through the Dock and along the River Lea path before turning back into the industrial estate to come back to Cody Dock.
